

IEEE Computational Intelligence Society Japan Chapter

Young Researcher Award (FSS)

is presented to

Toshiaki Seo

For the distinguished paper and presentation entitled

*A Sum of Squares Approach to Control System Design
for Discrete Polynomial Fuzzy Systems*

co-authored with *Hiroshi Ohtake and Kazuo Tanaka*
presented in the *27th Fuzzy System Symposium*
held at *Fukui University* on *September 12-14, 2011*

September 13, 2012

A handwritten signature in black ink, appearing to read 'A. Asoh'.

Hideki Asoh

Chair, IEEE Computational Intelligence Society
Japan Chapter
